☐	Health ↑	Strain	Plants	Contamination
☐	75%	Super Le...	50	TH
☐	100%	Strawgua...	25	None
☐	100%	Sour Ban...	24	None
☐	100%	Lee Roy ...	28	None
☐	100%	Grape MT...	25	None
☐	100%	Cherry P...	25	None

7 Click "Plant Health"

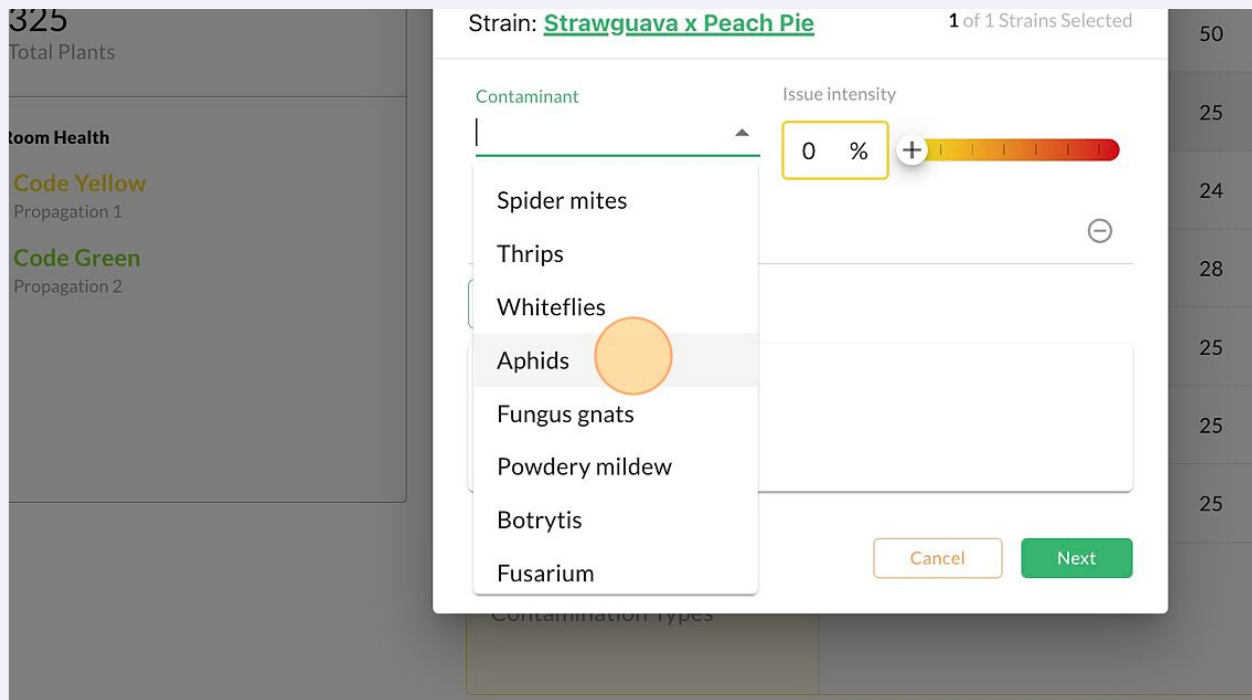

The screenshot shows a dashboard with a sidebar on the left and a main content area. The sidebar has a 'Plant Health' section with a 'Code Yellow' status and a '94%' progress indicator. The main content area displays a table of plants with columns for checkboxes, health status (100%), plant names, and other details. A dropdown menu is open over the table, listing actions: 'Destroy Plants', 'Change Growth Phase', 'Change Rooms', 'Split Plantings', 'Create Packages', and 'Plant Health'. The 'Plant Health' option is highlighted with an orange circle.

Checkbox	Health	Plant Name	Value	Other
☒	100%	Strawgua...	25	No
☐	100%	Sour Ban...	24	No
☐	100%	Lee Roy ...	28	No
☐	100%	Grape MT...	25	No
☐	100%	Cherry P...	25	No
☐	100%	Animal M...	25	No

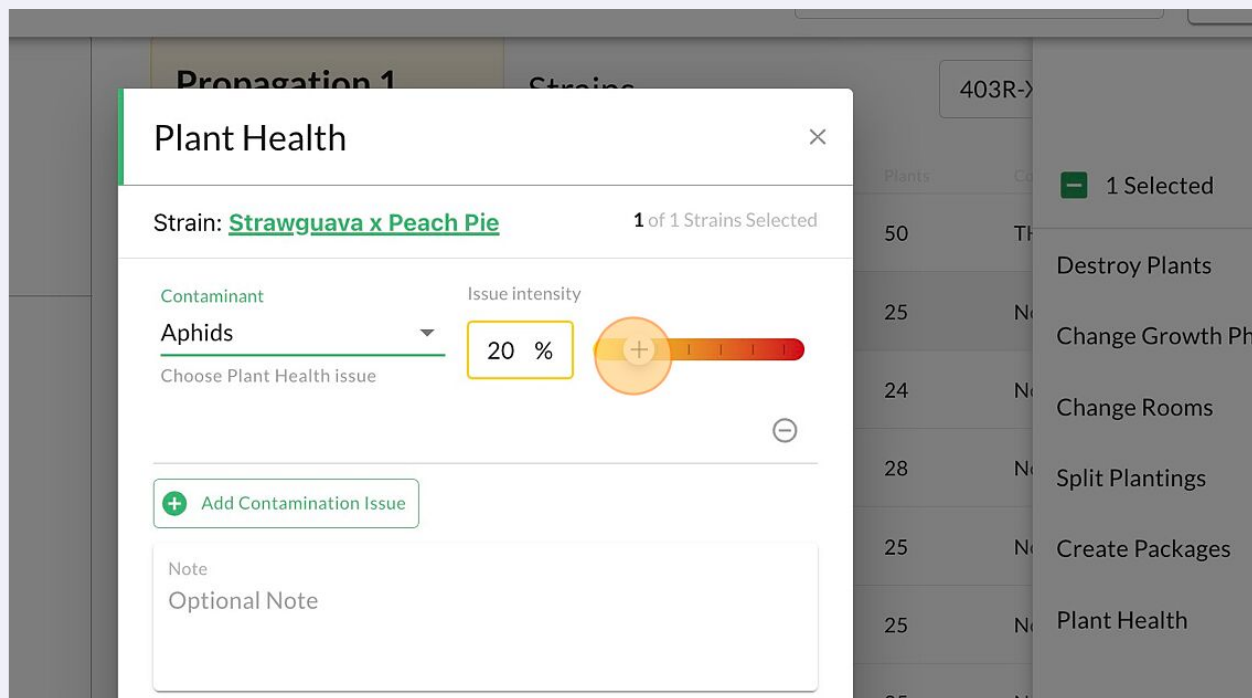

8 Click this icon to choose a Plant Health Issue.

The screenshot shows a modal window titled 'Plant Health' with a close button (X). The modal displays the selected strain 'Strawguava x Peach Pie' and indicates '1 of 1 Strains Selected'. Below this, there is a 'Contaminant' dropdown menu with a downward arrow icon. To the right of the dropdown is a slider for 'Issue intensity' ranging from 0% to 100%, with a yellow box highlighting the '0 %' value. Below the slider is a button labeled '+ Add Contamination Issue'. At the bottom, there is a text area for a 'Note' with the placeholder text 'Optional Note'.

9 Select the plant health issue, in this case "Aphids".

10 Select the issue intensity using the slider.

11 Select the note section.

The screenshot shows a modal window for adding a contamination issue. At the top, there is a 'Contaminant' dropdown menu currently set to 'Aphids'. Below it is a label 'Choose Plant Health issue'. To the right, there is an 'Issue intensity' section with a numerical input field showing '20 %' and a color-coded slider bar. Below these fields is a green button with a plus icon and the text 'Add Contamination Issue'. Underneath this is a 'Note' section with a text area containing the placeholder 'Optional Note' and a large orange circular icon. At the bottom right of the modal are two buttons: 'Cancel' and 'Next'. The background of the application is dimmed, showing a table with columns for date, name, and action, and a sidebar menu.

12 Type any notes, for example "Some aphid damage on lower leaves".

13 Click "Next"
